

Do you need VICTORY?

[Watch Video Online](#)

Have you prayed over and over for the same thing but haven't seen anything happen?

Do you question if God is listening?

Do you question whether what you have been taught is correct?

Are you desperate for victory?

Faith is the Victory!

Faith is the Victory that overcomes the world.

We need to take off our own faith and put on the faith of Jesus Christ.

What I believe does little, but Jesus, Oh, he can never fail.

Galatians 2:20 tells us that "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me."

I live by what?

By the Faith of the Son of God.

Not my faith.

Never my faith.

My faith is nothing.

It is my belief in what HE said HE would do.

God listens to everything we say or think but his ears are filled so often with our whining, our pleading, our questioning, and our accusing but rarely does the words of faith come to His ears.

We can earnest like cry, plead, whine and carry on and be unbelieving.

"But let him ask in faith, nothing wavering..." James 1:6

"Whosoever shall say... and shall not doubt in his heart, but believe... He shall have..." Mark 12:23.

"Shall say" is different than pleading, it is speaking what we know to be true.

The only way to overcome doubt is to place our faith in the Word of God, in Jesus Christ; who is the WORD.

Too often church goers, do not take a Bible to church to see what is being spoken of, and after church, they do not review what was said and verify it by the WORD. There is an abundance of false teachings being given in churches all over.

“Prove all things; hold fast that which is good.” 1 Thessalonians 5:21

God’s Word tells us that the truth makes us free. If we don’t know the Word of God – The Truth – for ourselves we will never know if what is said is truth or opinion.

If you are desperate for victory you must stop believing in the opinions of others and only believe what Jesus said.

Faith **is the** Victory.

“This is the victory that overcomes the world:
Your faith.” 1 John 5:4

There is an older song by the title Faith is the Victory, that has been changed through the years to be a song of doubt. But Faith IS the VICTORY.

Faith is the Victory
Faith is the Victory

Oh, Glorious Victory
That overcomes the world.

Get rid of yourself and put on Christ. Get rid of your own way of thinking and put on the mind of Christ.

Faith in Him Alone.

Heavenly Father change our minds and get rid of our stinking thinking; help us to put on the mind of Christ and only believe what He says. Amen.
