

## Stone Wall of Separation

We must create a stone wall of separation and ignorance of the details and procedures of sin. I've heard many men and women of God say "we need to know the truth about this sin or that sin so that we will have a better understanding".

God's word says in Romans 16:19 " ... I would have you wise unto that which is good, and simple concerning evil."

We are to be wise about that which is right and good but simple and ignorant of evil.

Many have used 2 Corinthians 2:11 "Lest Satan should get an advantage of us: for we are not ignorant of his devices", to justify the in-depth study of the devices and tools of Satan but are we approaching this with the mind of Christ or a carnal mind which is death and enmity against God.

But can we entrench ourselves in understanding the ways of the adversary and not be effected by it?

When you drape your towel over the edge of a full bathtub of water and just the tip touches the water but you take your bath not noticing then when it comes to drive off you do not have a dry towel but a wet towel. Why? It is impossible for the towel to touch the water for any period of time without being saturated with it. Same is so with the devices of Satan. We cannot touch them for any period of time without being saturated by them.

God's word tells us to be simple of that which is evil. Why? Because God knows it is impossible for us to know with great detail any part of something and it not become part of us, just like the towel it was impossible for just the tip to touch it and the rest not get wet.

When looking into studying Spiritual Warfare; get into a study or read a book that helps give you details as to how to fight, what truths and powers are available to us as children of God and not the specific details of the tools of the adversary.

Righteous living and understanding of what God's Truths are will cause evil to jump out like a blinking light. As we take a closer look at ourselves and our ways we may find that it is difficult to see the ways of the adversary because we have become friends of the world. James 4:4 tells us " know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God."

Father I pray in the name of Jesus for your truth to be revealed to us that we would live a life not being friends of this world and that we would be simple to that which is evil. Amen.
