Can they be
manifested in you?

Christ has a purpose in you. Christ's purpose in you is to reveal Himself to you, through you, IN YOU. We repeat over and over that familiar phrase. "The church, which is His body" Ephesians 1:22-23, but if we realized the truth of it and power of it, this would be a different world.

When the Christian Church realizes that they are the tangible, living pulsating Body: flesh, bones, blood and brain of Jesus Christ and that God is manifesting through each one every minute, and is endeavoring to accomplish His will for the whole through them, not through some other body, then Christian service and responsibility will be understood.

The final end is that we reveal God and that God may not only have a place of residence, but a precise action in our body and spirit. Every Spirit taught person in the world is aware of how gradually his own nature has become subjected to God and His will.

God's effort and God's purpose in us is to bring all the conditions of our being into harmony with His will and His mind until all our individuality, personality and being are of the nature, substance and quality of God.

Christ's redemption: It is the bringing out of Christ IN YOU, until Christ in you is the one manifest – manifest through your eyes just as God was manifest through the eyes of Jesus; manifest through our touch just as God was manifest through Jesus. It is not a power or a life separate from us but two lives made one, two natures co-joined, two minds operating as one, Christ IN YOU.
