

# JOY

**Do you feel that you have a lack of joy?  
Do you ever think that you should be more happy?**

**How do we get lasting joy?**

Galatians 5:22-23 tells us that the “fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance: against such there is no law.”

There it is joy. It is a fruit of the spirit.

Are we bearing the fruit of joy?
