

"Blessed are they which do hunger and thirst after righteousness: for they shall be filled" Matthew 5:6

Righteousness is just the rightness of God.

The rightness of God in your spirit,

the rightness of God in your soul,

the rightness of God in your body,

the rightness of God in your affairs, in your home, in your business,
everywhere.

Desperately hunger for God.

Only if we were all desperately hungry for God.
